A WARM WELCOME...

To all our fans and visitors from Motherwell FC.

Motherwell had the better of us last season in our first time back in the Premier League. They are still a very strong squad despite the loss of a few players and unfortunate injury.

We look forward to the challenge today which will be a major test for our new look defence.

I would also like to thank and recognise the contribution of our Honorary President, Gordon J Ford OBE who has done a power of work this summer and is opening the Livingston FC's new Presidents Club today.

Thank you to everyone who has taken the opportunity to download a copy of ROAR and shared the link across all social media platforms. Also a huge thanks goes to the team behind the scenes who work tirelessly to ensure the end result is a quality production and fully integrated for all desktop and mobile devices.

A WORD FROM THE MANAGER...

Good afternoon, it's with great pleasure that I welcome Steve and the players, fans and staff of Motherwell FC to the Tony Macaroni Arena for today's game.

Today sees us embark on our second season in the Scottish Premiership and one which we are all excited about and really looking forward to. We are well aware of the doom merchants that have said second season is always the toughest but we as a team want to embrace the challenge and test ourselves individually and collectively to improve on last year and hopefully come the end of the season we will have achieved our goals.

The last couple of weeks have been really good regarding our preparation for the league campaign with tough games in the Betfred league Cup section, each game has brought its own problems to face, what with level of opposition, different systems and styles of play. The aim and target for the lads was to win the group and if we could be seeded for the next round so job done on both fronts, well done lads!

A couple of players have left the club recently in Cameron Blues and Henk van Schaik both to Morton. Bluesy has moved on a season long loan to help in his development and aid in his first team experience and we will get the benefit when he comes back to us for next season. Henk has moved on a permanent contract and everyone associated with the club would like to wish Big Henk all the best for the coming years. Henk was with us the last season and played every week in the reserves and had a spell out on loan at Dumbarton and we felt that while he has improved with us, he wasn't going to play for our first team on a regular basis and the opportunity to move to Morton we feel will help Henk pursue a career in football.

Well we know we will have many ups and downs this season but I hope you all come along and enjoy the ride and get right behind the lads, the backing they receive week in week out, I for one know that the lads really appreciate.

WELCOME MOTHERWELL FC...

Motherwell Football Club was formed on the 17th of May 1886, when representatives of the two main Motherwell works' teams - Glencairn FC and Alpha FC - met in a local pub to merge the two teams with the aim of creating a club to represent all of Motherwell.

On the 5th of August 1893, Motherwell turned professional and the club was consequently elected to the league, as the only Lanarkshire side to compete at national level. Until 1895, the team had played its home games at several venues, including a site at Roman Road, and Dalziel Park. The small pitch and muddy conditions at Dalziel Park were deemed unsuitable. Lord Hamilton granted a lease on a plot of his land and this new venue was named Fir Park, where it has remained the club's home for over a century.

The following years saw the club grow, appointing its first and longest serving manager to date; John 'Sailor' Hunter. He was central to the club's most successful period. In 1913, Motherwell changed its team colours from blue to the signature claret and amber – and it is attributed to the success of Bradford City.

With the advent of a new Premier League structure of 10 teams, which superseded the previous 18-team First Division, Motherwell was managed by Willie McLean and his assistant Craig Brown (35 years before he, himself, became the club's manager). The team finished fourth and lost out to Rangers in the semi-final of the 1975-76 Scottish Cup to Rangers.

Managers subsequently came and went, including Alex McLeish and Billy Davies. Terry Butcher took over as manager and avoided relegation at the end of the 2002–03 season only as a result of First Division champions Falkirk's inability to meet the stadium criteria for entry to the Premier League.

Following spells by Jim Gannon and then Craig Brown, Stuart McCall was named as the club's manager and his team reached the 2011 Scottish Cup Final, losing 3–0 to Celtic. The 2012–13 season saw the club finished 2nd in the SPL, qualifying for the Europa League, but were eliminated by Russian side Kuban Krasnodar 3–0 on aggregate.

On the final day of the 2013–14 Scottish Premiership, Motherwell won 1–0 at Aberdeen with a dramatic 93rd-minute winner, leapfrogging Aberdeen in the process to seal a second successive runners-up spot in the league.

On 28 October 2016, Motherwell became a fan-owned club when supporters club Well Society's £1 deal with Les Hutchison was concluded. On 13 October 2017, Manager Stephen Robinson extended his contract until May 2020.

Motherwell's recent history of participating in high scoring matches is remarkable and two of these are particularly noteworthy. On the 5th of May 2010, Motherwell and Hibs were involved in the highest scoring match in the SPL's history, drawing 6–6 at Fir Park. This match eclipsed another high-scoring game involving Motherwell, a 6–5 defeat by Aberdeen on 20 October 1999.

HISTORY OF PREVIOUS MEETINGS...

This afternoon's fixture is the 25th meeting between Livi and 'Well in all competitions, with the Lanarkshire club holding the upper hand overall with twelve victories and only eight defeats. During that time, Motherwell have won all three fixtures in cup competitions. In the league however, the sides have played on 21 occasions with Livi winning eight of them, drawing four and losing nine.

The first encounter between the clubs took place on the 25th of August 2001 in a league game at Fir Park, which ended in a goalless draw. It remains the only time that a match between the sides has ended without a goal. That game marked the first in a series of six meetings during which Livi failed to taste defeat. In fact, The Lions won five consecutive games against the Fir Park men before that run was brought crashing to an end in a thumping 6-1 league defeat in Lanarkshire on the 24th of May 2003. Despite that setback, Livi's domination continued and the West Lothian side won two of the subsequent three meetings, drawing the other, so that only one of those first ten encounters ended in a loss.

Overall, the Fir Park club has scored 40 of the 71 goals in clashes between the sides, representing 56% of the total. Even so, ignoring goals in cup competitions, those scored in league fixtures have been much closer with Motherwell edging it with 32 goals to only 30 strikes from Livi.

This is the 14th visit that Motherwell have made to face Livi in West Lothian. Each club has won six of the previous thirteen, with only one draw. That stalemate in West Lothian was in March 2005, when a goal from Scott MacDonald in the first half was cancelled out by a Stephen Craigan own goal in the 81st minute.

The Fir Park club certainly holds the upper hand in recent times. Livi's 2-0 victory in December 2018 was their first success in 14 encounters, with Motherwell winning 12 and drawing only once.

The sides met in the Premiership on four occasions in the 2018-19 season, with three of the games at Fir Park. The first ended in a 1-1 draw in Lanarkshire, when Keaghan Jacobs' tremendous free kick cancelled out Bowman's first half strike. Livi's 2-0 home victory in December was secured through goals from Lawless and Halkett, before Motherwell enjoyed revenge in a thumping 3-0 win over The Lions in February when two goals from Jake Hastie and another from Curtis Main saw the home side take a 3-goal lead inside the first 21 minutes of the match. The teams played in the final league game of the season, on the 18th of May 2019, and the home side carved out a 3-0 lead once again through Donnelly and a brace from Turnbull. But Livi's Scott Tiffoney score twice late on to give the visitors hope but the home side secured the points with a 3-2 victory.

ONE TO REMEMBER
26th October 2002 - Motherwell 1 v 5 Livingston

The Lions ran riot at Fir Park in a league fixture in the 2002-03 season, scoring five goals in an astonishing victory. A first half strike from Eugene Dadi gave Livi a 1-0 lead at the interval before two goals from Cherif Toure Maman put the visitors 3-0 ahead. Motherwell's Algerian striker, Khaled Kemas, reduced the deficit with eleven minutes to play but Jim Leishman's men killed off any hope of a fightback following goals by David Bingham and David Xausa.

It remains Livi's most convincing victory against Motherwell.

“Substitute Wright completed the rout with a fifth goal in injury time, sending his team through to the semi-finals.”

“The Lions ran riot at Fir Park in a league fixture in the 2002-03 season, scoring five goals in an astonishing victory.”

ONE TO FORGET
9th November 2004 - Livingston 0 v 5 Motherwell

Motherwell made the trip to West Lothian to face Livi in a League Cup Quarter-Final game that ended in a convincing win for the visitors. Emmanuel Dorado put through his own net in the 3rd minute and the defender's evening worsened on the hour mark when he was shown a straight red card from which Richie Foran scored the resulting penalty to make it 4-0. Foran had already doubled his side's lead in the first half, giving Motherwell a deserved 2-0 half-time advantage before Phil O'Donnell had added a third. Substitute Wright completed the rout with a fifth goal in injury time, sending his team through to the semi-finals.

Ladbrokes PREMIERSHIP: A Background

The Scottish top-flight, now known as the Ladbrokes Premiership, was originally formed in 1890 as the old Scottish Football League Division One, and goes into its 123rd season today.

The competition's first winner was actually split between two sides, Rangers and Dumbarton, who both finished the season on the same number of points. The clubs met in a Play-Off match to decide who would take the title but the match finished as a draw so both sides shared the honour.

Back then, it was two points for a victory, one point for a draw and nothing for a defeat, but the points system has changed over the years. Now, we see three points awarded for a victory.

Following their joint-success in 1890, Rangers have gone on to win the most top-flight league titles with 54. Their bitter rivals Celtic won their 50th league title last season, and will be looking to catch the Ibrox club over the coming years as Scotland's most successful league club.

Over the years, the league has been dominated by these two Glasgow clubs, with a combined 104 league titles from 122 seasons. If you look further down the list of previous winners, you'll find that Aberdeen, Heart of Midlothian and Hibernian have all claimed the title on four occasions.

In 2013, following the introduction of the Scottish Premier League in 1998, the Ladbrokes Premiership was introduced as the new league system in the country – with the Championship, League One and League Two as three other leagues. This also brought about the Play-Offs.

The split was continued into the new Premiership format, after it arrived in the Premier League in 2000, after two years of a ten-team league. This stopped clubs playing each other on four occasions, and made the league season a lot more manageable. Once every participant had played each team three times, the league would be split into a top six and a bottom six, with each section playing each other once more.

Livingston in the TOP FLIGHT

3rd The Lions' highest ever finish in the top-flight came in the 2001/2002 season, the club's first ever year in the league. Jim Leishman's side qualified for the UEFA Cup as they finished behind runners-up Rangers and champions Celtic.

58 The highest ever points total by the club in the top-flight. This again came in the famous 2001/2002 season, as Livi recorded 16 wins and 10 draws to finish three points clear of Aberdeen in 4th, and ten points clear of Hearts in 5th.

7th This will be Livingston's 7th season as a top-flight club.

4 Livi have avoided defeat in 4 of their 6 opening games, with 3 wins – vs Hearts (2001), Motherwell (2002) and Inverness (2004) – and a draw – vs Partick Thistle (2003).

2 The only 2 sides to have beaten Livingston on the opening day of the season are Rangers and Celtic. Both were away defeats, which means that the Lions have NEVER lost at HOME in their first league game of the season.

5-0 Livingston's record win in the top-flight was recorded in last season's Ladbrokes Premiership. Gary Holt's side beat Hearts 5-0 on Friday 14th December 2018.

7-0 The club's biggest defeat in the top-flight comes against the other Edinburgh side, Hibernian. On 8th February 2006, Paul Lambert's men were thrashed 7-0 at Easter Road which was one of many lows that year as the Lions were relegated.

12 The highest number of goals scored by a Livingston player in a single season. Derek Lilley netted on 12 occasions in the 2003/2004 SPL campaign, and also scored in that season's League Cup Final, which Livi famously won.

LIVINGSTON v BERWICK RANGERS

5 - 0

Lamie (2, 81), Sibbald (16, 84), Lithgow (24)

Saturday 27th July 2019

Att: 692 Ref: Colin Steven

Livi breezed into the last-16 of the Betfred Cup for the third year in a row with an emphatic victory over Berwick Rangers at the Tony Macaroni Arena.

Doubles from Ricki Lamie and Craig Sibbald, either side of a first goal of the season for Captain Alan Lithgow, secured the Lions a place as one of the four seeded group winners in the second round draw.

Gary Holt made four changes to his side from the scrappy 2-1 victory at Stranraer as Sibbald, Matija Sarkic, Cece Pepe and Robbie Crawford came in for Ross Stewart, Jack McMillan, Keaghan Jacobs and Stevie Lawless.

The Lions got off to the perfect start as they broke the deadlock after just 93 seconds. Nicky Devlin cut in from the right and drove across the edge of the box before slipping the ball through to **Lamie** who steered a first-time finish past Sean Brennan.

A second Livi goal was inevitable and it arrived on 15 minutes when Lamie's deep cross was brilliantly kept in play by Devlin and he crossed for **Sibbald** to sidefoot it past Brennan from close range.

It was 3-0 on 23 minutes when Souda's corner found **Lithgow** unmarked at the back post and he powered an unstoppable header into the far corner of the net.

Changes came from both sides after the break and The Lions finally had their fourth goal with ten minutes to play as Lawson's free kick was swiped at by Lithgow but the ball fell kindly for **Lamie** and he curled a first-time effort past Brennan from just inside the box. That was the ex-Morton man's third goal in as many games, doubling his career goal tally inside 11 days.

It was five for Livi barely three minutes later as the ball fell to **Sibbald** at the edge of the box and he took a touch before firing a fine low effort into the bottom right corner. They almost made it six two minutes from time when Lawless' header was brilliantly kept out by Brennan but five was enough to take the Lions through to a last-16 tie away to League One side Forfar Athletic.

Full time: Livingston 5-0 Berwick Rangers

Livingston: Sarkic, Devlin, Lithgow, Pepe, Lamie, Bartley (Lawson 45), Crawford, Pittman, Sibbald, Souda (Lawless 63), Dykes (Miller 63).

INTRODUCING THE NEW PRESIDENTS CLUB!

I have been working with Cheryl at the Club and Simon and Brian at Food Creations to help to improve the Presidents Club match day arrangements and experience.

Members will have access to Simon's refurbished Stadium bar from 1pm where they can pre-book drinks and tables. Presidents Club members shall have exclusive use of this facility via the internal members doors for half time refreshments, where they can again make post-game reservations and orders.

I have an agreement with the football management to handle requests from members to attend the players lounge post-game for selected photo opportunities.

All game seating in section B2 has been renewed with new black padded seating and B2 has now sold out for this season. Membership has already increased on last season's numbers, and any new or existing clients will have their game seats in sections B1 and B3 replaced by new padded Presidents Club seating.

I hope everyone has a super time this season and any questions or issues shall be directed for me to address by contacting: cheryl@livingstonfc.co.uk

06 MARVIN BARTLEY

A MARV-ellous Buy

Get to know new signing Marvin Bartley as Calum Brown gives us a summary of his playing career so far.

Marvin Bartley started his career in his home town of Reading, where he played for their youth sides as a youngster.

The midfielder, who has stated that he was in fact a striker when he was younger, played his first semi-professional match with Burnham, in the Southern Football League, before signing for Hayes in the Conference South in 2005.

During his time at Hayes, Bartley scored on three occasions and made over 40 appearances, but left in 2006 to join Didcot Town back in the Southern Premier League.

Later that same year, Marv moved to Hampton & Richmond in October where he continued his semi-professional career, whilst working as a window fitter when he wasn't on the football pitch.

The defensive midfielder helped the side win the Isthmian League after becoming a first team regular from his first performance in October, gaining promotion to the Conference South.

Bartley's impressive performances meant that there was interest in him from clubs in the English Football League, and the Englishman signed his first ever professional contract with Bournemouth in the summer of 2007, aged 21.

He made his debut for the Cherries in an FA Cup Tie at Millwall in December of 2007, which was the first of his 21 appearances that season, with the rest coming in League One, where Bartley scored his first professional goal in a 2-2 draw with Cheltenham in February 2008.

Bournemouth started their 2008/2009 campaign in League Two following their relegation, and made 40 appearances in all competitions as he became a first team regular. He also doubled his career tally of goals.

In 2010, the midfielder played 30 times for Bournemouth in the first half of the season, before he was signed by Eddie Howe following his move to Burnley in early 2011.

Bartley only made five appearances for Burnley in the 2010/2011 campaign, after signing in the January transfer window, but the following season he became a regular for the Championship side, playing on 39 occasions in the league, where he scored three times.

With the arrival of Sean Dyche, Marv was loaned out to League One side Leyton Orient in the summer of 2013, where he featured regularly. He played 29 games, and netted twice.

It made sense to make the move a permanent one the following season, so the midfielder left Burnley for Orient in 2014. Bartley played 28 times for the London club during his first and final year as a signed player, scoring once in a victory over Northampton.

In the summer of 2015, Hibernian made a move for the midfielder who came north of the border to play in the Championship. In his first season with the Edinburgh club, despite not gaining promotion through the Play-Offs and being beaten by Ross County in the Betfred Cup Final, Marv became a Hibs legend as Alan Stubbs' side lifted the Scottish Cup for the first time since 1902, ending a 114-year wait.

MARVIN BARTLEY

Squad No: 06

Position: Central Midfielder

Born: 4th July 1986

Signed: June 2019

Nationality: English

Previous Clubs: Reading (youth), Burnham, Hayes, Didcot Town, Hampton & Richmond Borough, Bournemouth, Burnley, Leyton Orient, Hibernian

He became a key figure as soon as he arrived in 2015, playing 36 games in all competitions. The following season, the Englishman played a vital role in Hibs' Championship winning campaign, featuring 34 times.

After two seasons as an established Premiership player, and over 100 appearances for Hibernian, Bartley made the decision to leave the club this summer to join Livingston, despite reported offers from south of the border.

The 33-year-old featured regularly in pre-season, and played in all four Betfred Cup matches as the Lions progressed into the last 16 with 11 points from a possible 12.

The defensive midfielder has looked extremely composed when he's featured and adds vital experience to the squad both on the pitch and in the dressing room, which should benefit Livingston massively in their second season in the Premiership.

ON THIS DAY IN OUR HISTORY...

On 3rd August 2002, exactly seventeen years ago to the day, Livingston hosted today's opponents Motherwell in front of over 7,000 at Almondvale in the opening game of the SPL season.

After finishing 3rd in their first ever season in the top-flight, The Lions were keen to get off to a good start like they had done the previous year.

After six minutes, Livi nearly went in front. Stevie Woods denied Rolando Zarate from close-range after a lovely through ball from Eugene Dadi.

Just a few moments later, Motherwell had a chance of their own. Stephen Pearson tried his luck, but his effort flew over the bar.

On eight minutes, the deadlock was broken. A Lee Makel corner was met by Oscar Rubio, and the Spanish defender fired Livingston into the lead.

Zarate went close again, but saw his free kick go narrowly wide of the post. Then, youngster James McFadden was denied by a good save from Javier Sanchez Broto in the Livi goal.

On 34 minutes, Livingston doubled their lead through Zarate. The Argentine received a header from Dadi before getting the ball out of his feet to strike past Woods.

HT: Livingston 2-0 Motherwell

Moments into the second half, Livingston added a third to put the game out of sight. Juanjo Camacho found Quino, who unselfishly squared the ball for Zarate to tuck home to complete a brace.

When the third went in, something changed in the Motherwell camp as they began to throw bodies forward in the hope of getting back into the game.

On 50 minutes, they did exactly that when Scott Leitch breezed past the Lions' defence and finished to make it 3-1.

Just 14 minutes later, the Lanarkshire side pulled another goal back. McFadden beat a couple of players before bending in a beautiful cross to the back post. His delivery found Dirk Lehmann and the German headed past Broto to set up an exciting final 25 minutes.

It wasn't to be for 'Well though, as Livingston held on to claim all three points in an enthralling five-goal thriller.

FT: Livingston 3-2 Motherwell

The Livi team that day was:

Broto, Brinquin, Andrews, Rubio, Bollan, Quino, Lovell, Makel, Camacho, Zarate, Dadi.

Subs: Lopez, Fullarton, Toure-Maman, Bingham, Xausa.

QUICK FIRE QUESTIONS WITH... RICKI LAMIE

What song do you currently have on repeat?

Gerry Cinnamon - Canter, is getting me going in the mornings.

Most used emoji?

Always the laughing face.

What series/box set are you binging right now?

Just finished the first series of Killing Eve after receiving some good reviews. Strong 7.5/10.

In a movie of your life, who would play you?

Will Ferrell could replicate my patter. Gerard Butler my rugged looks. Would be a toss up for the gig.

Have you ever sent a text to the wrong person, if so what did it say?

Thankfully not, up until now anyway, always double check the recipient if it's dodgy.

Would you rather be a superhero or the villain?

Superhero. Batman every time, one of my favourite films and the guy ticks every box.

Who/would you survive a zombie apocalypse?

I'd make my way to Marvin Bartley's flat, high up and I don't think even a zombie would take the risk with the guard dog.

Who is the most skilful on the pitch and in training?

A few boys have got a bit but I never like a one on one with Lawless, don't think anybody does.

If you could eat one food for the rest of your life what would it be?

Hard one but pizza would get the nod. That's my Saturday night choice after a game.

Would you rather have a missing finger or an extra toe?

Missing finger, would give me one less to bite!

ONLINE TICKETING PLATFORM

ticketmaster®

Livingston FC are delighted to launch our very own online ticketing platform, in conjunction with Ticketmaster Sport.

This website will allow for fans to purchase tickets for all games at the Tony Macaroni Arena via our online system.

We have been working hard alongside Ticketmaster Sport over the past couple months to bring this online platform to fruition, and we are absolutely delighted that it is finally going live for home and away fans to use.

This platform will allow fans to purchase tickets for all games here at the Tony Macaroni Arena from the comfort of their own home, 24 hours a day, 7 days a week. This platform will hopefully make it more accessible for home and away to purchase tickets with us (this excludes Celtic & Rangers fans) and allow them to attend all our home games much easier. We are striving to make the match day experience for home and away fans the best it can be, the introduction of online ticketing can only benefit everyone involved in the purchasing of tickets.
